

Call for Sites proposals form

Strategic Housing and Economic Land Availability Assessment (SHELAA)

The Council has put out a 'Call for Sites' as part the Local Plan Review.

The submitted sites inform the Council's land availability assessment for housing and economic development uses, or SHELAA, over the plan period. National policy recommends assessing different types of land as part of the same exercise, so that sites may be allocated for the most appropriate use.

The final SHELAA needs to assess not only the suitability of sites put forward, but also the likelihood of them coming forward (are they available and achievable?). However, even if land is identified as having potential in the SHELAA, this does not confirm that it will be allocated for development.

Guidance on submitting information

Please complete the following form as fully as possible to put forward sites that you think Solihull Council should consider for development. This is a fresh 'call for sites', so please re-submit any sites that have been considered in the past.

In completing the form:

- Use a separate form for each site
- Enclose an Ordnance Survey map at scale 1:1250 (or 1:2500 map for larger sites), clearly showing the boundaries of the site
- Submit sites that are likely to become available for development or redevelopment in the next 15-20 years
