

## ECF1

### Formal Education Places for Local Pupils

Where funding from new housing development is used to sponsor the construction of new school buildings, these facilities together with the existing local schools' infrastructure, must have the ongoing capacity within the KDBH Area to accommodate the increased demand for places. New development must not adversely impact on the existing provision for local pupils

## ECF2

### Formal Education Location of New Schools

Where the need for additional pupil capacity has been demonstrated, new or expanded schools will be granted, provided that the location is conveniently situated for KDBH pupils and has adequate car parking, safe drop off and pick up and easy access by local public transport without any significant additional impact on traffic congestion. New or improved walking and cycling routes will be strongly encouraged.

## ECF5

### Recreation, Leisure and Sport

The KDBH community will welcome applications for the provision and extension of indoor and outdoor venues for recreation, leisure and sport, in particular facilities that:

- widen the range of local sport, leisure and recreational facilities
- allow proportionate use by all groups, community sectors and individuals in KDBH
- be conveniently located relative to sustainable forms of transport
- cause no material harm to residential amenity
- satisfy other Plan policies.
